## Cawley's Moonbeams

Cawley's Moonbeams Relay for Life team was originally formed as Terry's Moonbeams Relay for Life. The team was created in memory of Terry Cawley who passed away from brain cancer in 1999 at the age of 51. The team changed their name in 2015 to memorialize Terry's brother Joe Cawley who passed away from liver cancer in June of 2014. They also lost their brother Don in 2017 and cancer was a contributing factor in his death.

Terry, Joe, Don and their 4 brothers and 1 sister had always been Mopar enthusiasts and 13 years ago Joe thought a car show would be a perfect way to honor his brother and raise money for a worthwhile cause.

The team is comprised of family and friends of both of these great men. We hold the show to honor them and their passion while raising money for the American Cancer Society. Our hope is to find a cure for cancer so others don't have to endure the same losses we have.

## Car Show Classes
