December 2010 Newsletter

We are looking for officers to fill Vice President and Secretary Positions for the 2011 Car Club year.

Kevin and Janet Niemiec have decided to leave these positions after many years of excellent volunteering. I personally thank you for your friendship and many hours of commitment to the club. Kevin your great computer knowledge and locating vendors was a bonus to the club. Janet, your wiliness to go above and beyond was greatly appreciated. Thank you for the delicious pies and donated baked goods. Please do not be strangers.

Thank you to the members who participated in our Picnic at the Milton State Park. It was a beautiful sunny afternoon and as always a lot of good homemade food and friendship. Games were played and enjoyed by all.

It was a gorgeous fall foliage cruise to the Seneca Lake area.

Wow, another year in the records book. Our cruise-ins were once again record breakers. I want to thank all the set-up and tear down crew for their assistance. Terry and I could not have done it without you guys.

Our 2010 Community Donations, American Red Cross, Milton YMCA, Hands Up Foundation (Food Bank), Watsonstown Food Bank, Children's Area at Evangelical Community Hospital and GMC Children's Hospital.

This entire year was a team effort, and we need to find new officers to complete this team. **Please think about joining the planning team and become an officer.** The time frame involved is approximately 4 hours a month. Please do not hesitate to call me with any questions and comments. Your input into the clubs decisions is very important. The future of this club depends on your involvement.

Dues are \$15 and can be mailed to Kitty Hummel, 608 Lincoln Street, Milton, PA 17847. Make check payable to CARTS, note any address changes.
