### **‘TIN CAN’ TOUR CARAVAN TO DO ROUTE 6!**

The Tin Can Tour will “do 6” this June as the caravan of classic trailers travels across at least half of US Route 6 in Pennsylvania with stops in several communities and campgrounds along the way, the PA Route 6 Heritage Corporation and Tourist Association announced.

From June 4 to June 14, a caravan of approximately 30 classic vehicles and camping trailers will visit communities and historic sites across the western half of the historic and scenic highway. The caravan plans to stop for 2 days in a town or at a campground and hold an “open house” for residents and visitors to see these antique and mostly restored cars, trucks and campers. They hope to create a fun and festive time for the towns.

On Friday, June 4th, traveling east on Route 6 from the Ohio line, the caravan will arrive at the Brookdale Family Campground in **Meadville**, near mile marker 24. An Open House will be held on Saturday, June 5, from 1:00-4:00pm.

On Sunday, June 6, the caravan will travel to the town of **Port Allegany** in McKean County, between mile marker 159 and 160, for a community event including a “Walk Around” viewing of the vintage trailers and motor coaches, participation in a car show and a meal.

An Open House on Monday, June 7th will take place at the nearby Allegheny River Campground, **Roulette**, near mile marker 170 from 3:00 to 7:00pm.

On Tuesday, June 8<sup>th</sup>, the caravan will travel to **Galeton**, near mile marker 198, where they will set up in the John J Collins Memorial Park, right on the lake. AN Open House will be held on Wednesday, June 9 from 1:00 to 4:00pm.

On Thursday, June 10<sup>th</sup>, the caravan moves in **Mansfield**, near mile marker 234 and will set up in Town Park. An Open House will be held on Friday, June 11 from 1:00 to 4:00pm.

On Saturday, June 12<sup>th</sup>, the caravan turns around and heads back west to **Conneaut Lake** Park and its days in Pennsylvania/
